If players have ever wanted to experience the life of a Ghostbuster, they should head to Ghost Simulator. Created by BloxByte Games, Ghost Simulator is a fantasy RPG that tasks players with vacuuming charming and unique ghosts from various environments and biomes. As players clear areas, they may encounter creatures too powerful to capture alone and will need to work with a team to get the job done.

Simple yet terrifying, Anxiety simulates the experience of a panic attack for players. Anxiety is a psychological horror game experience created by Zoidberg656. In it, the player will wake up in a small bedroom. They can explore a large, dark house and have the ability to turn on lights and open doors. As the game progresses, players will experience simulated anxiety attack symptoms and an unsettling soundtrack. At the end of the experience, a note reminds players there are people who can help them overcome anxiety. The game is simple but an important way to explain mental health concerns to those who may have never experienced.

The first one is where worlds are created, while the latter is where players can interact, make friends, and compete.

However, some players log on just to troll and these are usually teenagers or adult players who just want to poke fun. Just be careful not to give them too hard a time as you could be kicked, or they could trick you into closing your game out altogether.
