It's easier to create clothing within ROBLOX and earn ROBUX this way, as the platform already has templates for t-shirts and paints. You can then design your own and add them to your ROBLOX Group, setting them up for a ROBUX price. If your designs gain traction in the Avatar Store, you can find yourself making a profit as people purchase more of your designs.

If you want to find out more about a game, simply click the game's icon to reveal a description, game and player stats, and other recommended games.

Simple yet terrifying, Anxiety simulates the experience of a panic attack for players. Anxiety is a psychological horror game experience created by Zoidberg656. In it, the player will wake up in a small bedroom. They can explore a large, dark house and have the ability to turn on lights and open doors. As the game progresses, players will experience simulated anxiety attack symptoms and an unsettling soundtrack. At the end of the experience, a note reminds players there are people who can help them overcome anxiety. The game is simple but an important way to explain mental health concerns to those who may have never experien.

Originally, the currency system in the game was named ROBLOX Points but this system was replaced with the ROBUX system back in 2007. As time went on, ROBUX and Tix, an older currency system, were the only ways to purchase items in the game. Now, Tix has been filtered out to have ROBUX be the only method of money in the game. Using this item, players can purchase items from within the avatar shop or buy game-passes and user-generated content. Players can purchase more ROBUX using real-world money at any retailer but there are methods for players to earn them for free in the game. Here's how players can earn free ROBUX.
