ROBLOX asks people to buy V-Bucks in order to purchase things in the store like skins, for example. Players who are obsessed with ROBLOX refuse to do this as all of their funds are already being funneled into buying ROBUX.

ROBLOX has come a long way from the clunky, blocky characters and difficult user interface of its past and now serves as a global gaming and game development and programming platform, with hundreds of thousands of games available from dedicated, young creators. While ROBLOX itself is free-to-play, and many games don't require players to use real-world currency or the in-game ROBUX, some games include purchasable items, add-ons, and other microtransactions like game passes. For players who don't want to spend real money on such microtransactions, there is still so much great free content available.
