As previously mentioned, ROBUX is a premium currency within the world of ROBLOX.

ROBLOX continues to be a platform for creativity. A lot of the major content in the game comes directly from the hands of the player. The game's built-in economy is a testament to how effective this method is for expression in game design. ROBLOX is easily accessible and continues to bring in new players every year.

We <sup>TM</sup>ve been hearing from our educator community that it <sup>TM</sup>s simply not enough to have occasional conversations about safety and digital civility and that they <sup>TM</sup>d greatly benefit from a structured curriculum and project-based learning as the new school year begins and kids are spending more and more time learning and interacting with one another online, said Laura Higgins, Director of Community Safety and Digital Civility at ROBLOX. The curriculum launching today is designed to provide both educators and students with a self-paced, topic-specific narrative that will help build a generation of resilient digital citizens and ensure kids and teens have positive and safe online experiences.

This strange hybrid of offering free and paid content side by side has led to ROBLOX earning an incredible \$2.29 billion in 2020, making it the third highest earning free to play game of the year.
