Some ROBLOX players are pretty hilarious even if it doesn't make sense just like the melon man in this meme. But really: delivering a pun that matches his own outfit? You can't really get more iconic memelord than that.

Typically players have to pay real money in order to get ROBUX. It used to be possible to get game passes and promo codes from shady websites, but that isn't a working solution anymore.

A game called Pet Heroes takes you on an adventure with a few pet sidekicks who will fight for you in battle. This code unlocks a secondary pet to follow you around and it resembles the bird from the Twitter logo as the creators encourage you to follow them on this platform. It will fly around beside you and adds a little something extra to your gameplay as you are not stuck with a single animal from the start.

You can also earn ROBUX, but this is much more challenging. There are a few options - you can create a game or sell clothing items in a group. You can also make your game a pay to play game, charging people to play it.

The most recent reports show that ROBLOX has a player count of roughly 150 million regular players, and it is the most popular game for gamers under the age of 13.
