There is a game called 'Build It, Play It The Island Of Move' and this code will provide you with something called a Hustle Hat. However, you do have to make some new animations for the game, which isn't something everyone knows how to do. You will be rewarded with this badge for entering this code and it is something you can show off to all of your friends the next time you play together.

Many games are lacking in this respect and players often feel that the player in this meme is ALWAYS a mod. It is not uncommon to be falsely banned or targeted by scammers, and some believe it TMs because the moderators they have chosen barely know their way around a keyboard.

Players have taken to expressing their frustrations creatively via meme format. The nonchalance of the original meme gets ROBLOX-ified very well (even if the reason why stinks).
