RB Battles are here with a season 2 event in ROBLOX. This guide will help players collect all of the active Resource Codes for December 2020. The RB Battles have existed since May 2020 and allow players to participate in a variety of mini-games against one another. Players are allowed to show their dominance by completing game modes like Ball Boop, Floopy Bird, Tiles, and Puzzle Peril. Upon completing these challenges and emerging victorious, the player will be rewarded (and earn some bragging right). The game is currently offering new codes for the month of December to claim to celebrate the RB Battles. This guide will provide all of the active codes for the month of December.

The majority of games found on the ROBLOX platform contain real people. So, if you choose a game where you meet other people or have to work alongside people (e.g. creating food for others), you'll likely be assuming a role with another real person.

If you've got kids then chances are you've heard of a game called ROBLOX. Or you may have been asked by your children to buy them some ROBUX, the virtual currency for the game.
