ROBLOX has come a long way from the clunky, blocky characters and difficult user interface of its past and now serves as a global gaming and game development and programming platform, with hundreds of thousands of games available from dedicated, young creators. While ROBLOX itself is free-to-play, and many games don't require players to use real-world currency or the in-game ROBUX, some games include purchasable items, add-ons, and other microtransactions like game passes. For players who don't want to spend real money on such microtransactions, there is still so much great free content available.

ROBLOX's mission is to bring the world together through play. Every month, more than 150 million people around the world have fun with friends as they explore millions of immersive digital experiences. All of these experiences are built by the ROBLOX community, made up of over two million creators. We believe in building a safe, civil, and diverse community—one that inspires and fosters creativity and positive relationships between people around the world. ROBLOX has been one of the most dominant and long-lasting titles on the internet. The game is more than just a single video game but rather a platform for creativity from its users. Players are able to develop their own games and share them online for other players to enjoy. Similar to titles like Minecraft and ROBLOX, players are given the tools they need to create almost anything they like. The game also features its own in-game economy, where players can design items or clothing to sell for ROBUX, the currency system in the game.
