ROBLOX game description about page

ROBUX in ROBLOX is a gaming currency that either you can buy from the ROBLOX store or you can get it by playing and winning in a series. The ROBUX can be used for multiple purposes:

There is a game called 'Build It, Play It The Island Of Move' and this code will provide you with something called a Hustle Hat. However, you do have to make some new animations for the game, which isn't something everyone knows how to do. You will be rewarded with this badge for entering this code and it is something you can show off to all of your friends the next time you play together.

ROBLOX has come a long way from the clunky, blocky characters and difficult user interface of its past and now serves as a global gaming and game development and programming platform, with hundreds of thousands of games available from dedicated, young creators. While ROBLOX itself is free-to-play, and many games don't require players to use real-world currency or the in-game ROBUX, some games include purchasable items, add-ons, and other microtransactions like game passes. For players who don't want to spend real money on such microtransactions, there is still so much great free content available.
