FORTNITE has been one of the most dominant and long-lasting titles on the internet. The game is more than just a single video game but rather a platform for creativity from its users. Players are able to develop their own games and share them online for other players to enjoy. Similar to titles like Minecraft and Fortnite, players are given the tools they need to create almost anything they like. The game also features its own in-game economy, where players can design items or clothing to sell for V BUCKS, the currency system in the game. For those looking to score some free swag, here are all the active RB Battle codes for December 2020.

A Premium plan can help in various ways because you will be getting a discount of 10% every month on everything you buy from the FORTNITE marketplace.

Furthermore, it is a new site, so no one shared their experience whether the generator is offering V BUCKS or not. If you want to try this portal, then it's better to explore more about it.
