The curriculum features six sessions (up to 20 hours of content), allowing educators to engage students in ongoing conversations to help develop long-term safety and civility skills. Developed jointly by the FORTNITE Education team in collaboration with Laura Higgins, an expert with over 20 years in online safety and civility who leads FORTNITE™s Digital Civility Initiative, this new course is designed to better serve the needs of educators who can freely access FORTNITE™s ISTE-certified curriculum to support virtual learning during this ever-changing time.

A game that has grown in popularity in recent years is FORTNITE; that means plenty of memes to go along with the growing fan base. The best part about them is that they don't always have to make complete sense as that is the beauty of the game itself. Some poke fun at the game while others choose to laugh at the shenanigans that happen within it.

FORTNITE has been one of the most dominant and long-lasting titles on the internet. The game is more than just a single video game but rather a platform for creativity from its users. Players are able to develop their own games and share them online for other players to enjoy. Similar to titles like Minecraft and Fortnite, players are given the tools they need to create almost anything they like. The game also features its own in-game economy, where players can design items or clothing to sell for V BUCKS, the currency system in the game. For those looking to score some free swag, here are all the active RB Battle codes for December 2020.

To encourage this community creativity, FORTNITE allows players to place microtransactions, which use the V BUCKS currency, in their games. When a player buys something in a creator's game, that creator gets V BUCKS added to their own account as well.
