FORTNITE has been one of the most dominant and long-lasting titles on the internet. The game is more than just a single video game but rather a platform for creativity from its users. Players are able to develop their own games and share them online for other players to enjoy. Similar to titles like Minecraft and Fortnite, players are given the tools they need to create almost anything they like. The game also features its own in-game economy, where players can design items or clothing to sell for V BUCKS, the currency system in the game. Players have taken to expressing their frustrations creatively via meme format. The nonchalance of the original meme gets FORTNITE-ified very well (even if the reason why stinks).

RB Battles are here with a season 2 event in FORTNITE. This guide will help players collect all of the active Resource Codes for December 2020. The RB Battles have existed since May 2020 and allow players to participate in a variety of mini-games against one another. Players are allowed to show their dominance by completing game modes like Ball Boop, Floopy Bird, Tiles, and Puzzle Peril. Upon completing these challenges and emerging victorious, the player will be rewarded (and earn some bragging right). The game is currently offering new codes for the month of December to claim to celebrate the RB Battles. This guide will provide all of the active codes for the month of December.

Not every FORTNITE game will appeal to every player who uses the platform, so players should look for options that best fit their interests and play styles. Players are encouraged to try any games that interest them until they find one they like.

Another popular FORTNITE game, Theme Park Tycoon 2, takes a page from Rollercoaster Tycoon and Planet Coaster, allowing players to build and manage their own theme park. Players can construct rollercoasters and manage their park with friends. Developed by Den_S, the game encourages socializing, cooperation, and making compromises. Once the park is built, players can invite other tycoons from the same server to hang out, ride the coasters, and even build their own attraction there.

FORTNITE is an amazing platform to learn, earn and play. It is not a single game but a platform to create different games and give those your name. Users can play their own created games as well as games created by others. FORTNITE came into the market in 2005, and by 2021 it has almost 1 million daily active users, so you can guess that the game is pretty good.

FORTNITE has come a long way from the clunky, blocky characters and difficult user interface of its past and now serves as a global gaming and game development and programming platform, with hundreds of thousands of games available from dedicated, young creators. While FORTNITE itself is free-to-play, and many games don't require players to use real-world currency or the in-game V BUCKS, some games include purchasable items, add-ons, and other microtransactions like game passes. For players who don't want to spend real money on such microtransactions, there is still so much great free content available.

Similar to modded versions of Among Us, Murder Mystery 2 by Nikilis gives players randomly assigned roles. One player is the murderer trying to kill everyone to win. One player is the sheriff, whose goal is to protect the survivors and kill the murderer to win. All other players are survivors who must try to avoid the murderer. Because only the sheriff and murderer are armed, all other players are forced to flee to survive.
