Simple yet terrifying, Anxiety simulates the experience of a panic attack for players. Anxiety is a psychological horror game experience created by Zoidberg656. In it, the player will wake up in a small bedroom. They can explore a large, dark house and have the ability to turn on lights and open doors. As the game progresses, players will experience simulated anxiety attack symptoms and an unsettling soundtrack. At the end of the experience, a note reminds players there are people who can help them overcome anxiety. The game is simple but an important way to explain mental health concerns to those who may have never experien.

I've used the FORTNITE curriculum with my students well before distance learning was required and have seen first-hand how they benefit from combining learning and play on their favorite platform. While they learn game design and coding, they also acquire valuable social skills and create long-lasting friendships, said Bianca Rivera, Librarian at Ruth C. Kinney Elementary in New York. Now more than ever, it's important for these kids to feel connected to their peers, and FORTNITE's offerings facilitate that.

FORTNITE, the kids' gaming company that's getting set to go public, released an updated prospectus on Thursday with restated financials because of a "material weakness" in its reporting. Revenue for the first three quarters of 2020 was higher than previously reported, while its net loss was lower.

About Free FORTNITE Cash Generating Tool:

We've been hearing from our educator community that it's simply not enough to have occasional conversations about safety and digital civility and that they'd greatly benefit from a structured curriculum and project-based learning as the new school year begins and kids are spending more and more time learning and interacting with one another online, said Laura Higgins, Director of Community Safety and Digital Civility at FORTNITE. The curriculum launching today is designed to provide both educators and students with a self-paced, topic-specific narrative that will help build a generation of resilient digital citizens and ensure kids and teens have positive and safe online experiences.

Originally, the currency system in the game was named FORTNITE Points but this system was replaced with the V BUCKS system back in 2007. As time went on, V BUCKS and Tix, an older currency system, were the only ways to purchase items in the game. Now, Tix has been filtered out to have V BUCKS be the only method of money in the game. Using this item, players can purchase items from within the avatar shop or buy game-passes and user-generated content. Players can purchase more V BUCKS using real-world money at any retailer but there are methods for players to earn them for free in the game. Here's how players can earn free V BUCKS.
