Curious as to what FORTNITE gift cards and V BUCKS deals are? They're a bit like store vouchers to be used in the FORTNITE game - only instead of physical items, you're able to spend them on additional in-game content or character customisation. As such, getting a card as a gift allows the recipient to grab that cosmetic avatar item they've always wanted but could never afford.

Not only can a person play FORTNITE, but they can also make money by creating games and charging real money to play it. Individuals can charge for bonus features like character skins, actions, and more.

Over the past year, FORTNITE has reached more than one million students worldwide through its education initiatives including camps, coding challenges, and school curriculum resources. In March 2020, FORTNITE released educational tools through the Teaching Remotely Initiative to aid in remote teaching and learning. In June 2020, FORTNITE launched its semi-annual coding challenge Build It, Play It, (formerly known as the Creator Challenge), which was the company's most successful event to date with over 7 million game visits and more than 210,000 games published. With today's announcement, the company continues to deliver resources to students and teachers designed to complement continued remote learning or hybrid learning models this fall.
