FORTNITE has come a long way from the clunky, blocky characters and difficult user interface of its past and now serves as a global gaming and game development and programming platform, with hundreds of thousands of games available from dedicated, young creators. While FORTNITE itself is free-to-play, and many games don't require players to use real-world currency or the in-game V BUCKS, some games include purchasable items, add-ons, and other microtransactions like game passes. For players who don't want to spend real money on such microtransactions, there is still so much great free content available.

Many are left wondering which platform they should use, but at the end of the day, FORTNITE is usually the answer. The chat system is what makes it so popular as friends can catch up in this technology-based world, no matter what age they happen to be.

Originally, the currency system in the game was named FORTNITE Points but this system was replaced with the V BUCKS system back in 2007. As time went on, V BUCKS and Tix, an older currency system, were the only ways to purchase items in the game. Now, Tix has been filtered out to have V BUCKS be the only method of money in the game. Using this item, players can purchase items from within the avatar shop or buy game-passes and user-generated content. Players can purchase more V BUCKS using real-world money at any retailer but there are methods for players to earn them for free in the game. Here's how players can earn free V BUCKS.
