FORTNITE has come a long way from the clunky, blocky characters and difficult user interface of its past and now serves as a global gaming and game development and programming platform, with hundreds of thousands of games available from dedicated, young creators. While FORTNITE itself is free-to-play, and many games don't require players to use real-world currency or the in-game V BUCKS, some games include purchasable items, add-ons, and other microtransactions like game passes. For players who don't want to spend real money on such microtransactions, there is still so much great free content available.

This means you will be able to get V BUCKS for every signup as well as when people who do signup using your URL also buy in-game items. Creating a game and then using a referral program does mean you have to put in some serious work, but the V BUCKS you get will be worth it.
