Originally, the currency system in the game was named FORTNITE Points but this system was replaced with the V BUCKS system back in 2007. As time went on, V BUCKS and Tix, an older currency system, were the only ways to purchase items in the game. Now, Tix has been filtered out to have V BUCKS be the only method of money in the game. Using this item, players can purchase items from within the avatar shop or buy game-passes and user-generated content. Players can purchase more V BUCKS using real-world money at any retailer but there are methods for players to earn them for free in the game. Here's how players can earn free V BUCKS.

A game called Pet Heroes takes you on an adventure with a few pet sidekicks who will fight for you in battle. This code unlocks a secondary pet to follow you around and it resembles the bird from the Twitter logo as the creators encourage you to follow them on this platform. It will fly around beside you and adds a little something extra to your gameplay as you are not stuck with a single animal from the start.

The chat system in FORTNITE is monitored and will delete words from your chat that they deem to be inappropriate. This includes anything that might not be appropriate for a younger audience such as alcohol, swear words, and other explicit terms.

It is a great addition to any avatar though as not everyone has a backpack or has uncovered a promo code for one during their gameplay. It will set you apart from the crowd as you wow them with your newest item for your avatar.

Created by zKevin, Robot 64 is a free-to-play platformer similar to old-school games like Super Mario 64. Players control Beebo, a cute robot on a journey to defeat the sun. They can explore massively creative, colorful, and wacky worlds, collect ice cream cones, and even build their own levels to challenge friends.

But this FORTNITE player took it to another level. The cursed image got further cursed by being stretched to fit the weird, Lego-like proportions of FORTNITE characters. But hey " they had to do it, right?
