V BUCKS is the main currency available in FORTNITE. This guide will help players learn the best way they can earn some V BUCKS for free. FORTNITE has been one of the most popular games in the world for almost 15 years now. As of August 2020, the game has over 164 million active users. Outside of titles like Fortnite and Apex Legends, players are able to program their own games, share them online with other players, and be as expressive as possible. There are very few limitations with what players can accomplish in FORTNITE. One of the most sought out mechanics in the game is the currency system, V BUCKS. This guide will help players with the best ways to earn them for free.

The above methods can and will help you to earn free V BUCKS, but the best way to get this currency is by getting FORTNITE Premium. This is based on a subscription which helps you get into the marketplace to create and sell for lower prices.

But this FORTNITE player took it to another level. The cursed image got further cursed by being stretched to fit the weird, Lego-like proportions of FORTNITE characters. But hey ” they had to do it, right?

If a person says they are 13+, FORTNITE applies no filters to any games. They do routinely search through the library and flag illegal or inappropriate content, but it's not automated.
